

REMARKS

Applicants respectfully request entry of the present Amendment Under 37 C.F.R. § 1.312. Applicants submit that the present amendment should be entered, as it simply corrects a typographical error in the creation date of the ASCII copy of the Sequence Listing submitted January 13, 2011. Accordingly, the present amendment does not continue prosecution of the present application. Further, the present amendment does not involve a significant amount of work on the part of the U.S. Patent and Trademark Office, as only a typographical correction is involved.

Accordingly, consistent with 37 C.F.R. § 1.312, approval of the present amendment for entry is believed appropriate and is thus respectfully requested.

Authorization is hereby provided to charge any fee required for entry and/or consideration of this paper to Deposit Account No. 19-0089.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed number.

Respectfully submitted,
